Dear Mr. Jones:

The City Council of Keota is fully committed to using I-Jobs II money (if awarded) and SRF Construction Loan money to complete the necessary improvements to their sanitary collection system; as indicated by their resolution supporting the application for I-Jobs II funding and letters of endorsement for the project. They are currently completing a preliminary engineering report of their system and will be submitting that report along with an IUP and SRF Construction Loan application this fall (2010).

Additionally, the City has already committed funds and begun an Iowa Smart Planning Comprehensive Plan that aligns with the goals of the I-Jobs II Grant Funding program and looks forward to the opportunity to incorporate these infrastructure improvements into their comprehensive improvement plans.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Janson". The signature is fluid and cursive, with a long horizontal stroke at the end.
